

## LMST Membership Statement

Lake Monticello Swim Team (LMST) represents Fluvanna County in tier three of the Jefferson Swim League. LMST mission is to promote swimming throughout Lake Monticello and Fluvanna County. LMST has grown in the past years due to community support, committed parent volunteers, and through a seasoned experience coaching staff. During the past two years LMST has also worked hard to further open and promote swimming to non-property owners of Lake Monticello. LMST home pool is located behind the Lake Monticello Club house overlooking the lake. The pool is a valued resource that is maintained by the Lake Monticello owners associations.

Lake Monticello Swim Team Membership is open to any child age 5 -18, who can successfully complete one length of the pool. Swimmers that have attended college are not eligible to swim in the Jefferson Swim League. Swim team members do not need to live in Lake Monticello or have a pool membership, however, there is a fee for those that are not residents of Lake Monticello. Parents are required to complete a Jefferson Swim League Registration form as well as sign our Participant Code of Conduct.
