Stanardsville, VA 2973

Inclement Weather Policies

May 2014

If thunder is heard by GHC employees (lifeguards, swim coaches, or manager), the pool must be cleared. The pool must remain cleared until 20 minutes after the last thunder is observed. The Head Lifeguard/Manager on duty will maintain elapsed time after thunder and allowing activities to resume.

If lightning is observed by GHC employees (lifeguards, swim coaches, or manager), the pool and pool deck must be cleared for 30 minutes after the last lightning is observed. The primary place for persons to shelter is in their vehicle. If they do not have a vehicle available, an area in the GHC restaurant will be available. The Head Lifeguard/Manager on duty will maintain elapsed time after lightning and allowing activities to resume.
